

## **Ephod's Robe Used with Aaron's Breastplate Technology: Exodus 39 R.S.V.**

**By Dr. Ray Turner, [www.whitebuffalopress.com](http://www.whitebuffalopress.com)**

The Ephod's Robe replica is safe, simple and inexpensive adaptation that is intended to be used only with the Aaron's Breastplate in individual or group prayer or meditation. Royal Blue and gold colors selected are intended to represent the colors available to the High Priest in King Solomon's Temple more than 1,900 years ago. Dr. Turner sought the least expensive version. He found it available in a Royal Blue color using the Snuggie™ robe. The Golden Waist band with tasseled ends can be purchased at a hobby store or at a drapery shop. The golden braided seam can be sewn on at mid-calf level and at the base of the robe. The Snuggie™ robe is one size fits all. The Aaron's Breastplate owner can make their own Ephod Robe in this way or may choose to purchase it from this website.

Please Note: Dr. Turner's version of the Ephod Robe when used during prayer or meditation becomes "charged" with the wearer's body energy and in so doing becomes highly personalized for that individual. The Ephod Robe should not be worn by others after being worn by the owner. Stored in a cedar-lined wooden box the robe should be used as the wrapping for the Aaron's Breastplate with nothing else left in the storage container that the owner does not want to be magnetized or charged over time. Even the simple, humble and widely available

**Snuggie™ can become charged by the user's prayers and meditation. Like the Aaron's Breastplate, and over time, the Ephod Robe becomes a very powerful Talisman. Purchase price for the Ephod Robe is \$89.95 plus S & H. Please allow three weeks for production and shipment of this Ephod Robe replica. The Aaron's Breastplate as shown is sold separately.**
